

**ORANGE COUNTY CLERK OF THE COURTS**  
from October 1, 2008 through September 30, 2009

**Note:** As a result of SB 1718 and CS 2108, the Orange County Clerk of Courts experienced a budget cut of 27%. To accommodate this decrease in funding, 107 positions to include temporary personnel were released. Unfortunately, customers may see some increase in traffic wait time due staffing reductions.
