Avoid Tax-Refund Season Crowds

Every year through April, our Traffic Division lobby fills with customers who are using their tax refunds to pay off their balances. While we do our best to keep the lines moving, you might experience a wait. The Orange County Clerk of Courts would like to remind you of alternate ways to pay your traffic fines.

- **myorangeclerk.com:** You can pay your traffic ticket online 24/7 from anywhere you have internet access. You can even opt for traffic school or request an extension. Visit the [Traffic](#) section of myorangeclerk.com.
- **Amscot:** You can visit any of the scores of [Amscot](#) locations around the state to make your payment. It does not have to be in Orange County.
- **Branch locations:** You can visit our branch [locations](#) in Apopka, Winter Park or on Goldenrod Road. Our Ocoee branch is temporarily closed for renovations but should re-open within a couple of months.
- **Drop box:** Each of our branch [locations](#) has a box conveniently located where you can drop off your payments. Be sure to include the defendant's name and the citation number.

We welcome anyone who wants to come to the courthouse to make their payment and are committed to making it as efficient a transaction as possible.

Thank you.
